Dear Detachment Commandant:

Marine Corps League Detachments, Modesto 019 and Fresno 014 are hosting the 2018 California Department Convention where members of the Marine Corps League from all over California will be attending in Clovis, CA – June 14-16, 2018. We request that you purchase **advertising space** in the 2018 Convention Program – every Marine that attends the Convention will receive this program booklet, along with your advertisement. On the table below you will find pricing for advertising spaces at Marine rates. This helps us with the printing costs and convention expenses.

We encourage all detachments to send Marine Corps League members to the convention.
